

# Mary and Bob Arndt Endowment

ESTABLISHED 2021

**This endowment supports patients undergoing cancer treatment services at SSM Health St. Mary's Hospital – Janesville.**

Bob and Mary Arndt know the Janesville area is special.

That's why, when they chose to raise their family here, they also built deep connections with others.

A lifelong farmer in LaPrairie Township, Bob is never one to shy from sharing an opinion or offering some no-nonsense advice. Mary, a teacher at St. John Vianney Catholic School, puts service to others at the top of her priority list.

Together, they are a dynamic team who support the work of many wonderful organizations, including SSM Health St. Mary's Foundation – Janesville.

***The Arndt's goal is to make this community even stronger - now, and in the future.***

That's why they have created the Mary and Bob Arndt Endowment Fund, which will support the comfort of SSM Health St. Mary's Hospital - Janesville patients undergoing treatment for cancer by providing gift bags and additional resources when needed most.
