Please turn over to complete the form.

As a table designer, you:

- Decorate the table to your liking – you choose the theme and linen colors.
- Receive table naming rights.
- Get first pick at your table seats – invite up to seven of your closest friends/family to join you.

A few other helpful tips for table decorating:

- The tables are 66 inches round, and your centerpiece may cover 30 inches.
- Whispering Springs will provide all silverware, coffee, cream, sugar, salt, pepper, plates, and glassware. All meals will be pre-plated by Whispering Springs.
- If you wish to provide your own plates or chargers, please note that Whispering Springs will be placing their food plates on top of your plates/chargers. If you do not prefer this, we ask that you remove your plates prior to the food being served.
- Candles must be enclosed in glass.
- Table designers will set up on Friday, December 4, 2026, from noon to 6 pm. All setup must be completed by 6 pm.

Table Guest List

Table decorators have the opportunity to reserve the seats at their table first. Please fill out the names below and include \$50/person. Names must be received by Friday, November 13 to secure the seats at your table.
